Oriana House, Inc.

Our Mission

Oriana House provides quality, professional, compassionate behavioral health and community corrections services to clients while contributing to safer communities.

Oriana House accomplishes its mission by providing treatment, rehabilitative services, aftercare, and supervision to clients in the local community. Services are offered through residential and nonresidential programs.

It is the policy of Oriana House, Inc., to not discriminate based on race, color, religion, sex, national origin, disability, age, sex (wages), genetics, gender, sexual orientation, HIV status, retaliation, and military/veteran status.

To our Referral Sources and Community Partners:

This publication contains information on all the programs and services offered through Oriana House, Inc. With facilities or offices in Summit, Cuyahoga, Seneca, Huron, and Washington counties, and a service region that extends beyond that, we've included addresses and contact information for all of our locations, but still I encourage you to contact the Admissions Department directly if you have questions about a referral.

To learn about services available in a specific geographical area, the *Table of Contents* lists programs by the regions of Summit and Cuyahoga counties, and North Central and Southeast Ohio. The contents are divided into the following sections:

- Behavioral Health Treatment
 - Residential Programs
 - Nonresidential Programs
- Community Corrections Programs
 - Residential Programs
 - Nonresidential Programs
- Reentry Services

The outline for each program or service includes information on program goals, target population, the screening process, a description of services, the financial obligations for clients, and requirements for successful completion of the program.

You will also find a chart at the beginning of the publication of the "Continuum of Sanctions," illustrating how Oriana House programs and services fit into the criminal justice system.

Because of unique circumstances it is impossible to map out which programs and services are going to be most appropriate for every individual. Still, we hope this will serve as a detailed resource for you, and we encourage you to contact us for additional information on any of our programs, or for assistance in determining which services would be most beneficial.

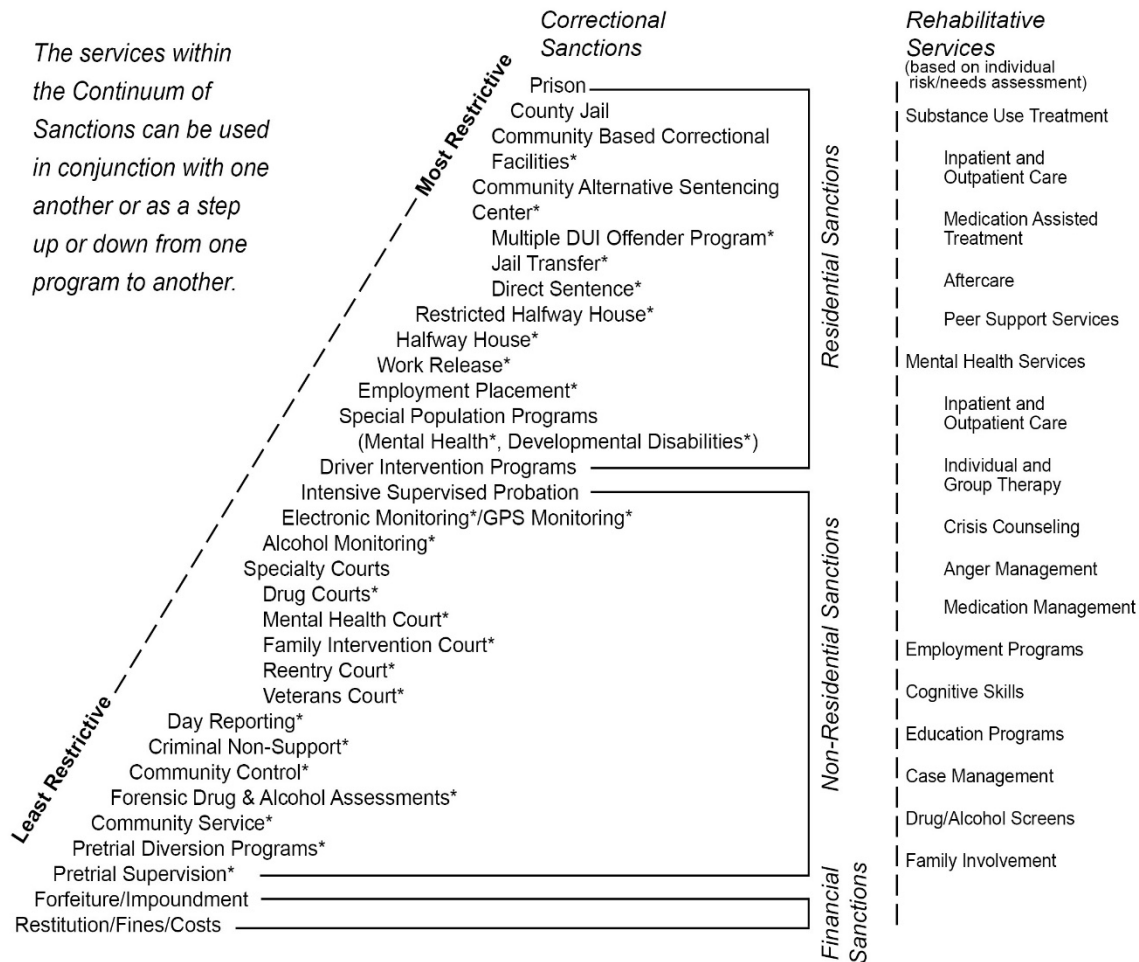

You may reach our Admissions Department by calling 330-535-8116 or by email through our website at www.orianahouse.org. Your inquiries are always welcome.

Sincerely,

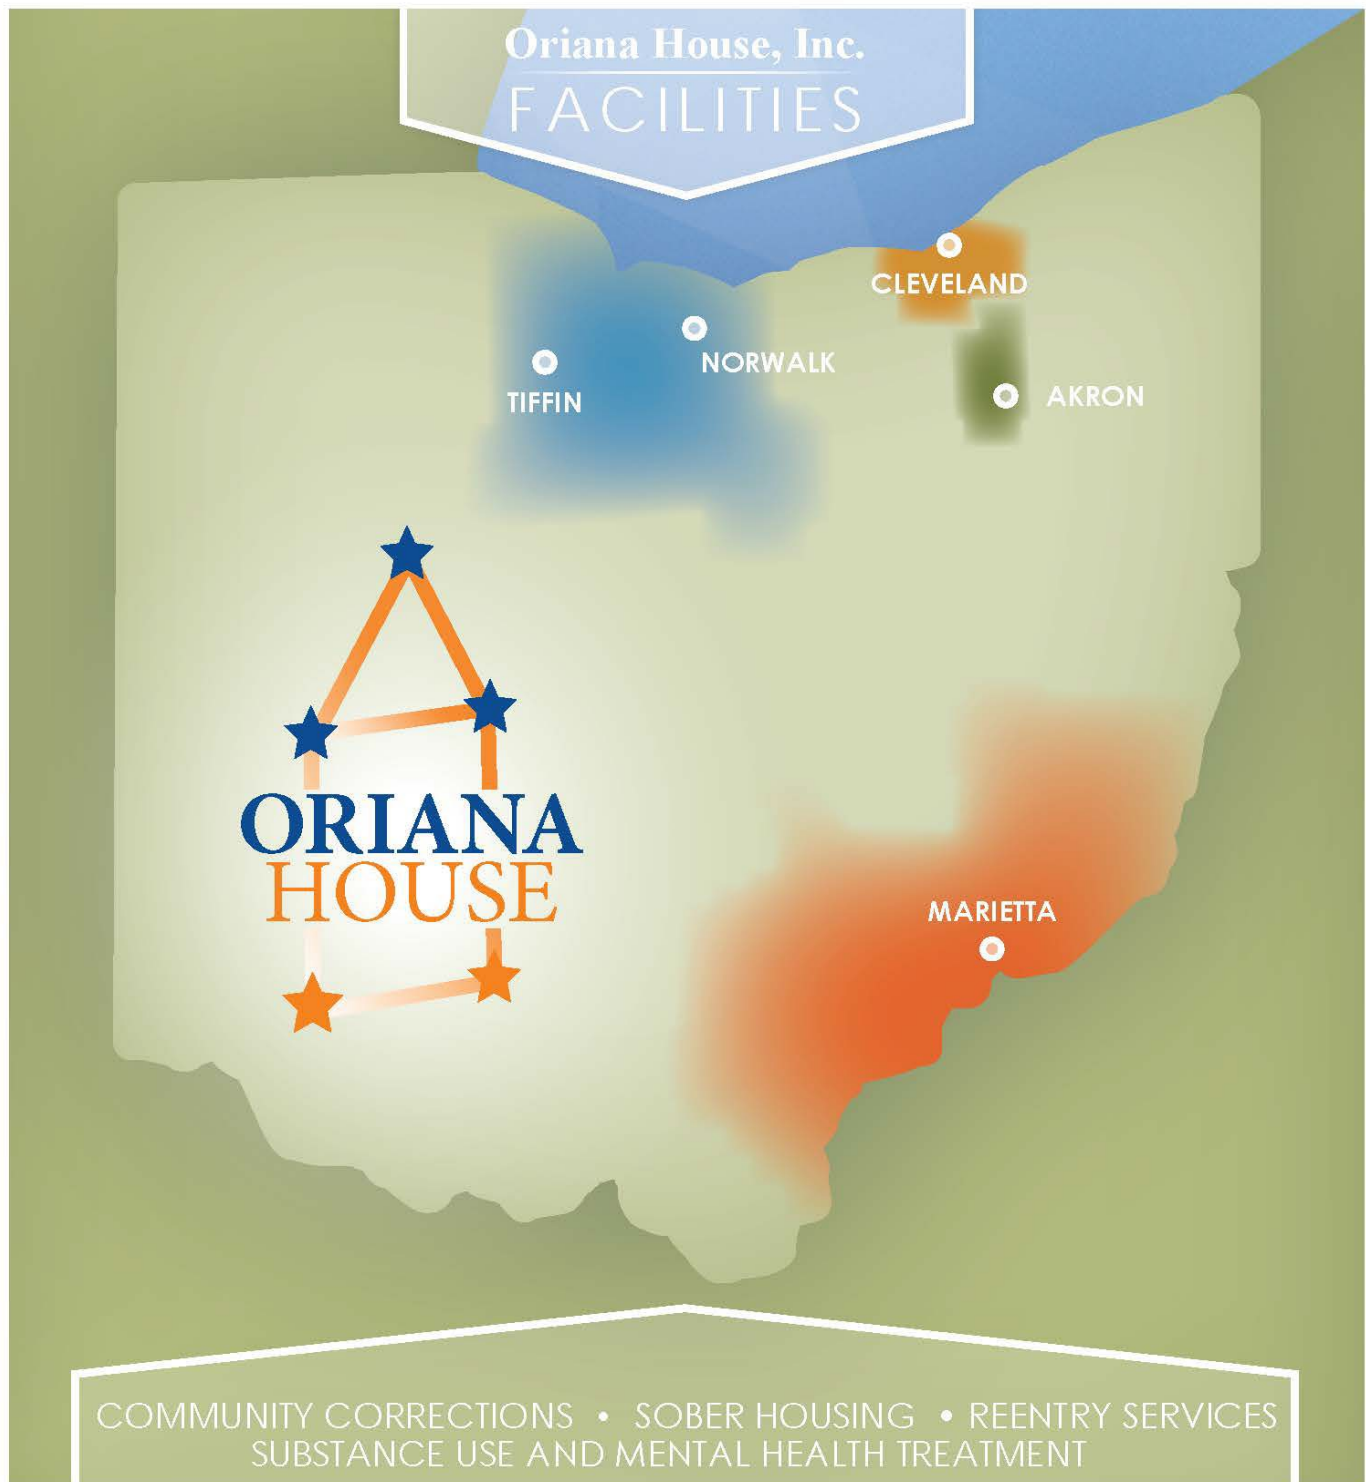

A handwritten signature in blue ink that reads "James J. Lawrence".

James J. Lawrence
President/CEO

Continuum of Sanctions Model

Behavioral Health

Residential Programs

**SUMMIT COUNTY ADM CRISIS CENTER
DETOXIFICATION AND DROP-IN SERVICES**

**15 Frederick Avenue
Akron, Ohio 44310
(330) 996-7730
TTY/TDD: (330) 761-3376**

PROGRAM GOAL

- To provide a cost effective and humane point of entry to comprehensive services for Summit County residents determined to be under the influence of alcohol and/or drugs.

WITHDRAWAL MANAGEMENT (DETOXIFICATION)

TARGET POPULATION

- Adult Summit County residents who are intoxicated and/or experiencing withdrawal symptoms.

SCREENING PROCESS

- Clients may be self-referred, referred by family or friends, physicians, community agencies, police, court personnel, or probation and parole officers.
- Admission to inpatient detox (medically monitored inpatient withdrawal management) is based on the result of a nursing assessment that suggests an applicant for admission is experiencing or is expected to experience acute withdrawal symptoms.
- Acceptance to ambulatory (outpatient) withdrawal management is based on the result of a nursing assessment and physical exam and may be an option for those with a supportive home environment who are able to return daily to the ADM Crisis Center to receive medications for a period of five days.

DESCRIPTION OF SUPERVISION AND SERVICES

- Withdrawal management services will be available to appropriate clients without restriction.
- Appropriate medical support is provided by a physician and access to 24-hour nursing coverage during the detoxification period.
- Individual and group counseling are available.
- An assessment of substance use disorder(s) is done on all clients.

FINANCIAL OBLIGATION

- Cost is based on a sliding scale in lieu of Medicaid coverage.

SUCCESSFUL RELEASES

- Clients will be considered successfully released from withdrawal management if they have completed the medical regimen.

UNSUCCESSFUL RELEASES

- If an individual in inpatient detox leaves the Unit before completing both the medical regimen and alcohol and drug assessment it will be considered an unsuccessful discharge.
- If an individual in ambulatory detox fails to return daily to the ADM Crisis Center prior to release from the program, it is considered an unsuccessful discharge.

DROP-IN CENTER

PROGRAM GOAL

- To provide a safe environment for individuals who need to recuperate from the acute effects of alcohol and/or drugs.

TARGET POPULATION

- Adult Summit County residents who are self-referred, brought to the facility by local law enforcement agencies, or referred by community agencies.

SCREENING PROCESS

- Appropriateness for services is based on staff evaluation of the client's needs.

DESCRIPTION OF SERVICES

- Clients may remain in the Drop-In Center until they are no longer under the effects of the drugs and/or alcohol.
- Based on each client's needs, showers, laundry, and snacks are available.
- Observation and monitoring for withdrawal symptoms and other medical problems.
- Referral services are available to willing participants.

FINANCIAL OBLIGATION

- There is no cost for this program.

SUCCESSFUL RELEASES

- Clients will be considered successfully released if they have a negative alco-sensor test and/or have been medically cleared by medical staff.

UNSUCCESSFUL RELEASES

- If clients leave the facility while intoxicated or under the influence it will be considered leaving against staff advice.

Oriana House, Inc. provides the alcohol and substance use treatment services at the ADM Crisis Center through a contract with the Summit County Alcohol, Drug Addiction and Mental Health (ADM) Services Board.

LOW-INTENSITY RESIDENTIAL TREATMENT
Available in all Oriana House Halfway House facilities
Oriana House Admissions Department
(330) 535-8116

PROGRAM GOAL

- To provide an appropriate level of substance use treatment to individuals in a residential environment who need motivation and awareness of their disease of addiction as well as time and structure to practice and integrate their recovery and coping skills.

TARGET POPULATION

- Clients participating in an Oriana House halfway house program who are in need of substance use treatment or are court ordered to attend Oriana House's treatment program, but have previously failed outpatient treatment and need a more structured and controlled environment in order to stay focused on treatment goals.

SCREENING PROCESS

- Clients are sentenced to an Oriana House halfway house by the court.
- Clients are assessed to determine the nature and extent of their substance use, misuse and/or addiction.

DESCRIPTION OF SERVICES

- Low-Intensity Residential Treatment is a 3.1 level of care on the American Society of Addiction Medicine (ASAM) criteria, is OMHAS certified, and offers at least five hours per week of treatment for substance use disorders.
- Clinical services include individual, group, and family therapy; and medication management.
- Low-Intensity Residential Treatment has two tracks of services, depending on client need.
 - **Discovery Track:** The discovery track is for clients who lack the motivation for recovery. In this track, services are aimed at clients who have not yet come to the realization that they have an addiction, or who are currently not interested in addressing it, and for whom recovery services would be unsuitable. The discovery track focuses on motivation, engagement, and attracting clients into continuing treatment.
 - **Recovery Track:** Services for the recovery track are geared towards the client in the action stage of change. These clients have accepted that they have an addiction and may have had some successful treatment outcomes, but have relapsed due to deficits in their recovery environment such as a chaotic home situation, a drug using family or significant others, or a lack of daily structured activity such as school or work.
- Other treatment services provided include cognitive skills groups, life skills, employment groups, education, 12-step meetings, and other structured activities.
- Peer Recovery Supporters trained to serve as personal mentors for people seeking or in recovery.
- Family Matters (support groups) designed to educate, support, and promote family healing.

FINANCIAL OBLIGATION

- The program fee is negotiable, based on the client's ability to pay.
- All Medicaid managed care plans accepted.

SUCCESSFUL COMPLETIONS

- 30 day period of verified sobriety.
- Completion of Individualized Treatment Plan.
- Evidence of internalizing newly acquired skills through demonstration of prosocial behavior.
- No new criminal charges or arrests.
- The length of stay in Low-Intensity Residential Treatment is advised by ASAM to be longer than in the more intensive residential levels of care. Longer exposure to monitoring, supervision, and low-intensity treatment interventions is necessary for clients to practice basic living skills and to master the application of coping and recovery skills.

UNSUCCESSFUL RELEASES

- Failure to achieve a 30 day period of verified sobriety after appropriate treatment extensions.
- Failure to complete or resolve objectives of Individualized Treatment Plan.
- Failure to exhibit understanding and utilization of relapse prevention strategies.
- Failure to have ASAM criteria indicate mostly zeroes.
- New criminal charges and rearrests may result in termination.

RIGEL RECOVERY RESIDENTIAL CENTER

**28407 State Route 7
Marietta, Ohio 45750
(740) 371-5476**

PROGRAM GOAL

- To provide substance use treatment, support, and resources to individuals in a residential environment who need motivation and awareness of their disease of addiction as well as time and structure to practice and integrate their recovery and coping skills.

TARGET POPULATION

- Adults who are in need of substance use treatment in a structured and controlled environment in order to stay focused on treatment goals.

SCREENING PROCESS

- Clients are assessed to determine the nature and extent of their substance use, misuse and/or addiction, and mental health needs.

DESCRIPTION OF SERVICES

- Clinically Managed High-Intensity Residential Treatment is a 3.5 level of care on the American Society of Addiction Medicine (ASAM) criteria, is OMHAS certified, and offers 30+ hours per week of treatment for substance use disorders.
- Staffed 24 hours a day by a treatment team of licensed clinicians and chemical dependency counselor assistants, nurse, and nurse practitioner.
- Clinical services include individual, group, and family therapy; medication management; and mental health care assessment and treatment as needed.
- Specialized treatment groups focusing on specific needs or demographics are offered.
- Medication for Addiction Treatment (MAT) is available through Rigel Recovery Services.
- Other treatment services provided include cognitive skills groups, life skills, employment groups, education, 12-step meetings, and other structured activities.
- Trauma counseling as needed.
- Therapeutic drug screenings.
- Family Matters (support groups) designed to educate, support, and promote family healing.

FINANCIAL OBLIGATION

- All Medicaid managed care plans are accepted.
- The program fee is based on the client's ability to pay.
- The Washington County Behavioral Health Board provides financial assistance to county residents.

SUCCESSFUL COMPLETIONS

- Completion of Individualized Treatment Plan.
- Evidence of internalizing newly acquired skills through demonstration of prosocial behavior.

UNSUCCESSFUL RELEASES

- Failure to remain substance free while in the facility.
- Unapproved departure from the facility.

Behavioral Health

Nonresidential Programs

INTENSIVE OUTPATIENT PROGRAM (IOP)

Summit County: 49 East Glenwood Avenue, Akron, Ohio 44304, (330) 996-2222

65 East Glenwood Avenue, Akron, Ohio 44304 (330) 996-2222

PROGRAM GOAL

- To provide an intensive, nonresidential substance use treatment program for adults with alcohol or other substance use problems.

TARGET POPULATION

- Clients participating in Oriana House programs who are in need of substance use treatment or are court ordered to attend Oriana House's treatment program.

SCREENING PROCESS

- Clients are sentenced to an Oriana House program by the court.
- Clients are assessed to determine the nature and extent of their substance use, misuse and/or addiction.

DESCRIPTION OF SERVICES

- Individualized treatment program, including an American Society of Addiction Medicine (ASAM) 2.1 Level of Care Intensive Outpatient Program; duration of this program is dependent on client need.
- Individual and group counseling sessions.
- Conjoint counseling sessions.
- Referrals for urine drug screens and alcohol tests are made as necessary.
- Full, nonresidential treatment allowing participants to maintain home, family, and employment.
- Participation in weekly self-help groups.
- Medication for Addiction Treatment using the prescription medication Vivitrol, buprenorphine, and injectable buprenorphine.
- Peer Recovery Supporters trained to serve as personal mentors for people seeking or in recovery.
- Family Matters (support groups) designed to educate, support, and promote family healing.
- Mental health services - assessment, individual, group and family education available in some locations.

FINANCIAL OBLIGATION

- The program fee is negotiable, based on the client's ability to pay.
- All Medicaid managed care plans accepted.

SUCCESSFUL COMPLETIONS

- Maintained 30 days of verifiable continued sobriety.
- Have an established sober support and/or family support group.
- Individualized Treatment Plan goals and objectives have been resolved; those unresolved are appropriately deferred or referred.
- Have successfully implemented and maintained use of relapse prevention strategies individualized for specific areas of need.
- ASAM criteria indicate mostly zeroes supporting severity in individualized risk areas are eliminated or greatly reduced.

- No new criminal charges or arrests.

UNSUCCESSFUL RELEASES

- Failure to achieve a 30 day period of verified sobriety after appropriate treatment extensions.
- Failure to complete or resolve objectives of Individualized Treatment Plan.
- Failure to exhibit understanding and utilization of relapse prevention strategies.
- Failure to have ASAM criteria indicate mostly zeroes.
- New criminal charges and rearrests may result in termination.

AFTERCARE PROGRAM
Akron, Ohio
(330) 535-8116

PROGRAM GOALS

- To provide continuing support for recovering individuals who have completed a treatment program.
- To maintain and, if possible, enhance the gains made during the initial treatment experience.
- To build a foundation for continued recovery that allows for lifestyle and behavioral changes that support sobriety.
- To continue to practice skills necessary to promote recovery.

TARGET POPULATION

- Individuals who have completed an Oriana House substance use treatment program and are committed to their recovery.

SCREENING PROCESS

- Clients are referred by their individual treatment counselor after completing an Oriana House substance use treatment program.

DESCRIPTION OF SUPERVISION AND SERVICES

- An American Society of Addiction Medicine (ASAM) 1.0 Level of Care Outpatient Aftercare Program consisting of weekly group sessions and individual counseling to help clients practice and integrate newly acquired social skills and relapse prevention skills.
- Duration of this program varies based on individual client factors.
- Individual treatment plans developed between the counselor and the client.
- Individual counseling sessions.
- Peer Recovery Supporters trained to serve as personal mentors for people seeking or in recovery.
- Family support designed to educate, support, and promote family healing.

FINANCIAL OBLIGATION

- The program fee is negotiable, based on the client's ability to pay.
- All Medicaid managed care plans accepted.

SUCCESSFUL COMPLETIONS

- Maintained 30 days of verifiable, continued sobriety.
- Have an established sober support and/or family support group.
- Individualized Treatment Plan goals and objectives have been resolved; those unresolved are appropriately deferred or referred.
- Have successfully implemented and maintained use of relapse prevention strategies individualized for specific areas of need.
- ASAM criteria indicate mostly zeroes supporting severity in individualized risk areas are eliminated or greatly reduced.
- No new criminal charges or arrests.

SUMMIT LINK
15 Frederick Avenue
Akron, Ohio 44310
(330) 996-7730

PROGRAM GOAL

- To identify, assess, and recommend eligible offenders for substance use treatment services, thereby providing the court system a method to divert appropriate offenders to treatment.

TARGET POPULATION

- Adult misdemeanor or traffic offenders in Summit County in need of assessment and treatment for substance use services who have been referred by the court system.

SCREENING PROCESS

- Screening process utilizes an assessment interview to determine eligibility for services.

DESCRIPTION OF SUPERVISION AND SERVICES

- Substance use assessments (incarcerated and non-incarcerated individuals).
- Case Management (for monitoring of compliance/treatment and coordination of services). Urine drug screens and alcohol tests are required.
- Referrals to appropriate levels of care consistent with standardized placement criteria.
- Timely communication with the Akron and Summit County court systems regarding clients.

FINANCIAL OBLIGATION

- Clients are charged for a substance use assessment received at the Summit County ADM Crisis Center.

SUCCESSFUL COMPLETIONS

- Complying with the mandates of the referring court.

ORIANA HOUSE ASSESSMENT CENTER
215 East Glenwood
Akron, Ohio 44310
(234) 678-5720

PROGRAM GOAL

- To provide behavioral health evaluations with recommendations and referrals to individuals seeking alcohol, substance use, and mental health treatment services.

TARGET POPULATION

- Adult Summit County residents who are in need of a behavioral health assessment and referral to treatment services.
- Referrals are initiated by the person seeking services and may be facilitated or encouraged by family, friends, community agencies, probation and parole officers, police, or court personnel.

SCREENING PROCESS

- The screening process consists of an interview and standardized inventory testing to determine eligibility and appropriateness for services.

DESCRIPTION OF SERVICES

- Substance use assessment.
- Referrals to appropriate level of care using standardized placement criteria.
- Peer Recovery Supporters trained to serve as personal mentors for people seeking or in recovery.
- Family Matters (support groups) designed to educate, support, and promote family healing.

FINANCIAL OBLIGATION

- Cost is based on a sliding scale.
- All Medicaid managed care plans accepted.

RIGEL RECOVERY SERVICES

Summit County: 211 E. Glenwood Avenue, Akron, Ohio 44310 (234) 678-5720

Cuyahoga County: 6000 Hough Avenue, Cleveland, Ohio 44103 (216) 205-4689

North Central Ohio: 1 E. Willard Avenue, Norwalk, Ohio 44857 (567) 424-6412

Southeast Ohio: 27750 State Route 7, Marietta, Ohio 45750 (740) 371-5160

PROGRAM GOAL

- To provide comprehensive, outpatient behavioral health treatment including intensive outpatient treatment, partial hospitalization (day) program, Medications for Opioid Use Disorder (MOUD), and mental health counseling.

TARGET POPULATION

- Clients in need of behavioral health treatment.

SCREENING PROCESS

- Clients are assessed to determine the nature and extent of their substance use, misuse and/or addiction, and mental health needs.

DESCRIPTION OF SERVICES

- Individualized treatment program, including an American Society of Addiction Medicine (ASAM) 2.1 Level of Care Intensive Outpatient Program and ASAM 2.5 Level of Care Partial Hospitalization; duration of program is dependent on client need.
- Individual and group counseling sessions.
- Case management services to assist clients with the management of the barriers to treatment and recovery.
- Conjoint counseling sessions.
- Medication for Addiction Treatment (MAT) using the prescription medication Vivitrol, buprenorphine, and injectable buprenorphine.
- University of Cincinnati substance use curriculum that is evidence based and gender specific such as Women's Journey and Men's Journey as well as adjunct groups targeting specific needs such as Seeking Safety to address trauma as it relates to addiction, Anger Management, Parenting in Recovery, and Mapping the 12 Steps.
- Therapeutic drug screens are done to assist with successful treatment outcomes and hold clients accountable to their goal of abstinence.
- Full, nonresidential treatment allowing participants to maintain home, family, and employment.
- Participation in weekly self-help groups.
- Peer Recovery Supporters trained to serve as personal mentors for people seeking or in recovery.
- Family Matters (support groups) designed to educate, support, and promote family healing.
- Mental health services - assessment, individual, group and family counseling, and medications, if needed.

FINANCIAL OBLIGATION

- Cost is based on a sliding fee scale.
- All Medicaid managed care plans are accepted.

SUCCESSFUL COMPLETIONS

- 30 day period of verified sobriety.
- Completion of Individualized Treatment Plan.
- Regular attendance and participation at all substance use treatment groups.

UNSUCCESSFUL RELEASES

- Every attempt is made to assist a client in a successful discharge from Rigel Recovery Services. Clients who are unable to get their disease of addiction under control in the ASAM level of care offered at Rigel Recovery Services will be discharged with a referral for a higher level of care.

Community Corrections Programs

Residential Programs

COMMUNITY ALTERNATIVE SENTENCING CENTER (CASC)

40 East Glenwood Avenue

Akron, Ohio 44304

330-996-2222

PROGRAM GOALS

- To provide direct sentencing and pretrial options in a secure setting for those charged or convicted of misdemeanor and/or low level felony offenses.
- To offer a sentencing option for OVI/DUS offenders to serve their mandatory portion of the sentence with jail time credit.
- To facilitate re-entry into the community by assisting with changing behavior.

TARGET POPULATION

- Adult male and female misdemeanor, traffic, and appropriate felony offenders in need of a restrictive community corrections sanction of 90 days or less. OVI and related offenses can serve up to 120 days.

This includes:

- OVI/DUS offenders who are serving their mandatory portion of the sentence with jail time credit
- OVI/DUS offenders past their mandatory sentence
- Misdemeanor and felony offenders sentenced by the court
- Probation violators serving a sanction
- Specialty Court sanctions
- Offenders waiting for placement in other residential facilities
- TCAP restricted offenders in need of a restrictive placement

It is the policy of Oriana House, Inc., to consider all referrals from Summit County on a case-by-case basis with the exception of those outlined in the rejection criteria below.

Exclusions: Tier III sex offenders and any sex offender with community notification.

SCREENING PROCESS

- A referral form needs to be completed by the court and sent to Oriana House's Admissions Department. The Admission Department will determine bed availability and schedule the client accordingly. General guidelines for placement require the client to be mentally stable and physically able to attend to his/her basic life functions. Clients with a history of violence may be subject to a pre-screening process. Oriana House reserves the right to deny placement of clients who may pose a risk of safety to staff and other clients or present a risk of harm to themselves.
- Multiple DUI Offender Program (MOP) clients are given approximately two weeks to pay the program fee and upon receipt of payment, clients are scheduled for their session.

DESCRIPTION OF SUPERVISION AND SERVICES

- Clients are only permitted to leave the facility for medical and psychological emergencies and will, in most cases, be escorted by staff.
- Programming is assessment driven, evidence based, and addresses criminogenic needs.
- Clients' program needs are assessed through standard risk/need assessments used to develop individualized program and community plans.
- Length of stay is a maximum of 90 days.
- Clients are assessed to determine if they have a substance use disorder and the appropriate level of care.
- Low Intensity Residential Treatment (page 8) group sessions are 2.5 hours long, two days a week.

- Intensive Outpatient Treatment (page 12) group sessions are 2.5 hours long, four days a week, for six weeks.
- Individual counseling is available for clients who require this level of care.
- The Multiple DUI Offender Program (MOP) is comprised of three components: completion of a mandatory jail sentence, participation in and/or completion of a substance use treatment program and participation in and completion of an aftercare program as ordered by the court. Clients will receive a substance use disorder assessment and be referred to the appropriate level of care. If treatment is indicated they may be referred to an Oriana House level of care or another community provider. MOP referrals who are sentenced to 30 or more days will likely be able to start and complete primary treatment (not to include aftercare) while they are in CASC.
- Urine drug screens and alcohol tests are required.
- In-house services may include but are not limited to:
 - Assessments
 - Risk/Need
 - Substance Use/Mental Health
 - Responsivity
 - Education
 - Life Skills Programming
 - Child Support Education/Assistance
 - Religious Services
 - Coping Skills
 - Social Skills
 - Cognitive Behavioral Programming
 - Substance Use Treatment including Aftercare
 - Case Management using Effective Practices in a Correctional Setting (EPICS)
 - Driver's License Reinstatement Education/Assistance
 - 12-Step Programming
 - Motivation for Success
 - COACH Program (peer recovery supporters coordinating pre and post release assessed needs)

FINANCIAL OBLIGATIONS

	<u>Summit County</u>	<u>Out of County</u>
10 Day MOP	\$450	\$777.50
30 Day MOP	\$500	\$3,850
60 Day MOP	\$550	\$5,830
61-90 Day MOP	\$600	

- All fees are subject to change.
- Clients sentenced to the Multiple Offender Program by courts outside of Summit County are required to pay an out-of-county fee.
- Clients, referred by a Summit County Court, who are unable to pay the full program fee, are required to pay a negotiated fee as determined by the court.
- Indigent funds are available for those clients who may qualify.

SUCCESSFUL COMPLETION

- Compliance with program rules and guidelines within court-imposed timeframes.
- Clients waiting for placement in another residential program may stay for up to 90 days.

UNSUCCESSFUL RELEASES

- Failure to adhere to the rules of Oriana House or the referring agency.
- Any new arrest may result in unsuccessful completion.

HALFWAY HOUSE PROGRAM

Cuyahoga County Males/Females: 1829 East 55th Street, Cleveland, Ohio 44103 (216) 881-7882

Summit County Males: 40 & 55 East Glenwood Avenue, Akron, Ohio 44304 (330) 996-2222

Summit County Females: 222 Power Street, Akron, Ohio 44304 (330) 996-7595

Southeast Ohio Males/Females: 27830 State Route 7, Marietta, Ohio 45750 (740) 371-5126

PROGRAM GOALS

- To divert clients from local jails and prison systems and provide the courts with a direct sentencing option to a community sanction.
- To reduce recidivism using evidence based practices in a highly structured, residential setting.
- To facilitate re-entry into the community by assisting offenders in changing behavior.

TARGET POPULATION

- Adult male and female felony, misdemeanor and traffic offenders and parolees in need of long-term rehabilitative programming.
- Transitional Control clients referred by the Ohio Department of Rehabilitation and Correction for a maximum placement of 180 days.
- Treatment Transfer clients referred by the Ohio Department of Rehabilitation and Correction for a placement up to 365 days or more focusing on drug and alcohol treatment.
- Cuyahoga County also accepts federal clients referred by the Bureau of Prisons, federal probation, and pretrial.

SCREENING PROCESS

- Clients are directly referred from court, probation, the Ohio Department of Rehabilitation and Correction, the Federal Bureau of Prisons, and the Adult Parole Authority.
- Perspective clients are screened and approved by the Oriana House Admissions Department based on risk and need, with the exception of clients in Southeast Ohio who are screened by probation and parole.
- Admissions are determined on a case by case basis.
- Clients should be referred to enter and successfully complete the program.

DESCRIPTION OF SUPERVISION AND SERVICES

- Programming is assessment driven, evidence based, and addresses criminogenic needs.
- Clients' program needs are assessed through standard risk/needs assessments used to develop an individualized program and community plans.
- Length of stay is determined by risk level, areas of need, compliance with programming, and demonstration of learned skills.
- Clients gradually earn privileges and advance through a multi-phase program as they attain their program goals and demonstrate skill acquisition. Frequency of programming and duration of placement are determined by assessment and client performance.
- Urine drug screens and alcohol tests are required.

- In-house services may include but are not limited to:

Assessments

- Risk/Need
- Substance Use
- Employment
- Responsivity
- Education
- Mental Health

Case Management using Effective Practices
in a Correctional Setting (EPICS)

Cognitive Behavioral Programming

Social Skills

Substance Use Treatment including Aftercare

Peer Recovery Supporters

Education Services

Employment Services

12-Step Programming

FINANCIAL OBLIGATIONS

- When employed, the client pays per diems equaling 20% of gross income (not applicable to clients referred by the Ohio Department of Rehabilitation and Correction to a halfway house).
- Client must address financial obligations, such as court costs, child support, fines, restitution, and Oriana House incurred expenses.

SUCCESSFUL COMPLETIONS

- Clients are required to complete a specified number of days based on risk assessment and/or as determined by the referral source.
- Completion of all program and court requirements and an ability to demonstrate acquired skills.
- Obtain required dosage hours.
- Demonstration of newly acquired skills that facilitate behavior change.
- Satisfied all court requirements.

UNSUCCESSFUL RELEASES

- Failure to adhere to the rules of Oriana House or the referring agency.
- New arrest may result in termination.
- Failure to achieve Individual Program Plan goals and objectives.
- Failure to demonstrate use of new skills.

RESTRICTED HALFWAY HOUSE PROGRAM

Summit County Males: 40 & 55 East Glenwood Avenue, Akron, Ohio 44304 (330) 996-2222

Summit County Females: 222 Power Street, Akron, Ohio 44304 (330) 996-7595

PROGRAM GOALS

- To divert clients from local jails and prison systems.
- To provide the courts with a direct sentencing option to a community sanction.

TARGET POPULATION

- Adult male and female felony, misdemeanor, and traffic offenders in need of a restrictive community corrections sanction of 60 days or less.

SCREENING PROCESS

- Clients are sentenced by the court and probation departments.
- Perspective clients are screened and approved by the Oriana House Admissions Department.

DESCRIPTION OF SUPERVISION AND SERVICES

- All clients are assessed using the Ohio Risk Assessment System (ORAS) during their placement. Additional assessments may be done based on need and length of sentence.
- Case monitoring, including referrals to community resources to address client's program needs.
- Clients are permitted to leave the facility for medical, psychological, and treatment appointments.
- Clients are required to attend employment class if assessed as being in need.
- Clients are required to perform community service under staff supervision.
- Regular and random drug and alcohol tests are administered to determine program compliance and substance use treatment needs.
- In-house service may include but are not limited to:

Assessments: Risk/Need	Crisis Counseling
Substance Use & Mental Health	Recreation
Employment	Child Support Education/Assistance
Referrals to Community Resources	Life Skills
Employment Services	Religious Services
Education Services	12-Step Programming
Peer Recovery Supporters	Family Matters (support groups)
- Clients in Summit County who are sentenced for 60 days or less will receive the following services through our Halfway House program:
 - Case monitoring
 - Drug/alcohol testing
 - An ORAS Community Supervision Screening Tool (CSST) is completed upon intake to identify needs and direct community planning for client referral upon release.
 - Clients may be required to complete supervised community service depending on length of stay.
 - Approved leave for medical/psychological appointments.

FINANCIAL OBLIGATIONS

- Clients are required to address financial obligations, such as court costs, child support, fines, restitution, and any outstanding fees owed to Oriana House, Inc.

SUCCESSFUL COMPLETIONS

- Compliance with program rules and guidelines within court imposed timeframe.

UNSUCCESSFUL RELEASES

- Failure to adhere to program rules and/or court imposed rules.
- Arrest may result in an unsuccessful completion.

WORK RELEASE/EMPLOYMENT PLACEMENT PROGRAM

Summit County Males: 40 & 55 East Glenwood Avenue, Akron, Ohio 44304 (330) 996-2222

Summit County Females: 55 East Glenwood Avenue, Akron, Ohio 44304 (330) 996-2222

PROGRAM GOALS

- To reduce the jail population by providing a court ordered community corrections sanction for unemployed clients to job search and secure employment.

TARGET POPULATION

- Summit County adult male and female, felony, misdemeanor, and traffic offenders who are currently unemployed or in school.

SCREENING PROCESS

- Clients are sentenced by the court and probation departments.

DESCRIPTION OF SUPERVISION AND SERVICES

- All clients are assessed using the Ohio Risk Assessment System (ORAS).
- Assistance is provided in securing employment.
- Clients do not earn pass time away from the facility.
- Case management.
- Regular and random drug and alcohol tests are administered to determine program compliance and substance use treatment needs.
- Clients that remain unemployed will engage in community service opportunities.
- In-house service may include but not be limited to:

Assessments: Risk/Need	Crisis Counseling
Substance Use & Mental Health	Life Skills
Employment	12-Step Programming
Community Referrals	Recreation
Employment Services	Religious Services
Education Services	Child Support Education/Assistance
Peer Recovery Supporters	Family Matters (support groups)

FINANCIAL OBLIGATION

- When employed, the client pays per diems equaling 20% of gross income.
- Client must address financial obligations, such as court costs, child support, fines, restitution, and Oriana House, Inc. incurred expenses.

SUCCESSFUL COMPLETIONS

- Compliance with program rules and guidelines within court imposed timeframe.

UNSUCCESSFUL RELEASES

- Failure to adhere to program rules and guidelines and/or court imposed rules.
- New arrest may result in termination.

COMMUNITY BASED CORRECTIONAL FACILITY (CBCF) PROGRAM

Cuyahoga County Males: 3540 Croton Avenue, Cleveland, Ohio 44115 (216) 202-1017

North Central Ohio Males: 3055 South S.R.100, P.O Box 350, Tiffin, Ohio 44883 (419) 447-1444

North Central Ohio Females: 3091 South S.R. 100, P.O. Box 350, Tiffin, Ohio 44883 (419) 447-1444

Summit County Males: 264 East Crosier Street, Akron, Ohio 44311 (330) 996-7296

Summit County Females: 941 Sherman Street, Akron, Ohio 44311 (330) 374-9610

PROGRAM GOAL

- To divert clients from jail or prison.
- To reduce recidivism using evidence based practices in a highly structured and secure community sanction program.
- To facilitate re-entry into the community by assisting offenders in changing behavior.

TARGET POPULATION

- Adult male and female felony offenders in need of long-term rehabilitative programming.
- Summit County CBCF programs also accept misdemeanor offenders convicted of City of Akron municipal ordinances who are in need of long-term rehabilitative programming.
- Adult misdemeanor offenders from Cuyahoga County.
- Adult offenders convicted in Barberton Municipal Court of code violations from Barberton, Green, Norton, Coventry or New Franklin and charged by personnel with authority in those jurisdictions.
- Clients must be screened by Oriana House's Admissions Department to determine eligibility. Admissions are determined on a case by case basis.

SCREENING PROCESS

- Clients are directly referred from court, probation, and the Ohio Department of Rehabilitation and Correction as a condition of Judicial Release.
- Perspective clients are screened and approved by Oriana House's Admissions Department based on risk and needs.

DESCRIPTION OF SUPERVISION AND SERVICES

- Summit County and North Central Ohio (CROSSWEAH) CBCF program placements are confined to the facility upon intake for a minimum of 30 days with the exception of a medical or mental health emergency, which requires a supervised staff transport.
- McDonnell Center CBCF: Program placements are confined to the facility upon intake. Contingent on court/parole approval, clients are permitted to participate in supervised Court Community Service, employment, or education 30 days prior to their release from the program.
- Clients' program needs are assessed (using the ORAS) through standard risk/needs assessment used to develop individualized and community plans.
- Clients gradually earn privileges and advance through a three-phase program as they attain their program goals, and demonstrate skill acquisition.
- Clients who are residents of Summit County (not including clients in the misdemeanor program) or a contiguous county may be eligible or required to participate in Transitional Services, a non-residential component of CBCF up to 180 days based on risk levels.
- Frequency of programming and duration of placement are determined by assessment and client performance. The CBCF residential component ranges up to 180 days.
- Primary programming is assessment driven, evidence based, and addresses criminogenic needs.
- Clients are required to submit urine drug screens and alcohol testing.
- The CBCF refers clients to community resources and clients might be required to complete a period of community control within the community upon release.

- Medication for Addiction Treatment (MAT) is available to clients with an opioid use disorder diagnosis using Vivitrol, buprenorphine, and injectable buprenorphine. At the Cuyahoga and Summit CBCFs, if a client is prescribed methadone, coordination occurs with the prescriber to have the medications delivered and stored at the facility.

- In-house services may include but are not limited to:
 - Assessments:
 - Risk/Need
 - Substance Use & Mental Health
 - Education
 - Employment
 - Responsivity
 - Treatment for Substance Use Disorder including Aftercare
 - Case Management Using Effective Practices in a Correctional Setting (EPICS)
 - Cognitive Behavioral Programming
 - Employment Services
 - Education Services
 - Community Service
 - Family Matters (support groups)
 - Stress/Anger Management
 - Crisis Counseling
 - Non-denominational Religious Services
 - Coping Skills
 - Peer Recovery Supporters
 - Mental Health Services
 - Social Skills

FINANCIAL OBLIGATIONS

- Summit County and North Central Ohio (CROSSWEAH) CBCF program clients, when employed, pay per diems equaling 20% of gross income (not applicable to clients at the McDonnell Center).
- Client must address financial obligations such as court cost, child support, fines, restitution, and Oriana House incurred expenses.

SUCCESSFUL COMPLETIONS

- Clients are required to complete a specified number of days based on risk levels/dosage hours and/or as determined by the referral source.
- Completion of all program and court requirements.
- Demonstration of newly acquired skills that facilitate behavior change.

UNSUCCESSFUL RELEASES

- Failure to adhere to rules of Oriana House or the referring agency.
- Failure to achieve/obtain Individual Program Plan goals and objectives.
- Failure to demonstrate use of learned skills.
- New arrest may result in termination.

SHARP

(Special Housing Adjustment Residential Program)

Summit County Males: 55 East Glenwood Avenue, Akron, Ohio 44304 (330) 996-2222

Summit County Females: 222 Power Street, Akron, Ohio 44304 (330) 996-7595

PROGRAM GOAL

- To provide a structured living environment for severely mentally disabled clients while attempting to reintegrate the clients into the community.
- To reduce recidivism using evidence based practices in a highly structured, residential setting.
- To maintain continuity of care by working in conjunction with mental health care providers.

TARGET POPULATION

- Adult males and female felony and misdemeanor offenders from Summit County with a diagnosis of a serious mental illness.
- Adult male and female felony, misdemeanor and traffic offenders and parolees in need of long-term rehabilitative programming.
- Clients must be screened by Oriana House's Admissions Department and the Summit County Alcohol, Drug Addiction and Mental Health Services Board to determine eligibility. Admissions are determined on a case by case basis.

SCREENING PROCESS

- Intake staff conduct personal interview and administer Ohio Risk Assessment System (ORAS).
- Verify mental health diagnosis.
- Verify client is actively involved or eligible for involvement with a mental health services provider.
- Verify compliance with mental health medications.
- Eligibility is determined based on:
 - Severity of mental illness
 - Stability and compliance with medication
 - Ability to actively participate in programming
 - Use of collateral information
 - Previous program failures
 - History of violence
 - History of sex offenses (Tier III sex offenders with community notification will not be accepted.)

DESCRIPTION OF SUPERVISION AND SERVICES

- Client program needs are determined through the ORAS screening.
- Individual treatment plans are developed between the client and the caseworker.
- Clients gradually earn privileges and advance through a multi-phase program as they attain their program goals and demonstrate skill acquisition. Frequency of programming and duration of placement is determined by assessment and client performance.
- Primary programming is assessment driven, evidence based, and addresses criminogenic needs.
- Urine drug screens and alcohol tests are required.
- Mental health services are provided by Portage Path Behavioral Health Center or Community Support Services based on the client's needs.

- In-house services may include:

Assessments

- Risk/Need
- Substance Use
- Employment
- Education
- Mental Health

FINANCIAL OBLIGATIONS

- Client must address financial obligations, such as court costs, child support, fines, restitution, and Oriana House incurred expenses if applicable.

SUCCESSFUL COMPLETIONS

- Completion of all program and court requirements and an ability to demonstrate acquired skills.
- Obtain required dosage hours.

UNSUCCESSFUL RELEASES

- Failure to achieve Individual Program Plan goals and objectives.
- Failure to obtain required dosage hours.
- Failure to adhere to the rules of the referring agency, terms of the mental health service provider, or Oriana House.
- Arrest may result in an unsuccessful termination.

ORIANA ALTERNATIVE ENVIRONMENT PROGRAM

Summit County Males: 55 East Glenwood Avenue, Akron, Ohio 44304 (330) 996-2225

Summit County Females: 222 Power Street, Akron, Ohio 44304 (330) 996-7595

PROGRAM GOAL

- To divert clients with developmental disabilities from the Summit County Jail.
- To provide those clients with a restrictive, structured residential community corrections environment pending trial and disposition.
- To maintain continuity of care by working in conjunction with providers serving individuals with developmental disabilities.

TARGET POPULATION

- Pretrial status adult male and female offenders with developmental disabilities who receive services from the County of Summit Developmental Disabilities Board.

SCREENING PROCESS

- Intake staff conduct personal interviews and assessments while client is held in the Summit County Jail.
- Verify County of Summit Development Disabilities Board provides services to the candidate.
- Eligibility is determined based on:
 - Current County of Summit Developmental Disabilities Board client.
 - Ability to participate in programming.
 - History of sex offense – Offenders currently identified as Tier III sex offender with community supervision are ineligible.
 - Prosecutor and Pretrial Services approval.

BEDS

- Male (3) and Female (1)

DESCRIPTION OF SERVICES

- Individual treatment plans based on existing Individual Service Plan are developed between the client and caseworker.
- Programming and treatment strategies focus on Individual Service Plan goals and targeted criminogenic needs.
- Urine drug screens and alcohol tests are required to assess program compliance and substance use treatment needs.
- Program and release decisions are made jointly with program staff, Summit Psychological Associates staff, County of Summit Developmental Disabilities Board and Board authorized providers, and the court.
- Competency assessment and counseling services are provided by Summit Psychological Associates staff.
- In-house services may include:

Case Management	Current Events
Life Management Skills Groups	Medication Compliance
Crisis Counseling	Recreation
Social Skills Group	Transportation to required appointments
Hygiene and Nutrition	

FINANCIAL OBLIGATION

- There are no programming costs for this population.

SUCCESSFUL COMPLETIONS

- The client is successful when the client appears for court and the case is adjudicated or the client's adjustment and compliance to programming expectations is evaluated to warrant return to the community environment.
- Successful program completion requires:
 - Participation in group.
 - Demonstration of the use of targeted pro-social behavior and skills.
 - Compliance to individual programming goals and the pre-existing Individual Service Plan goals and strategies.
 - Compliance to residential rules and expectations.

UNSUCCESSFUL RELEASES

- The client is unsuccessful if the client fails to appear, is arrested on a new charge, or fails to comply with programming expectations and rules.

*The Oriana Alternative Environment Program receives funding from
the County of Summit Developmental Disabilities Board.*

Community Corrections Programs

Nonresidential Programs

DAY REPORTING and TRANSITIONAL SERVICES

**154 Furnace St.
Akron, Ohio 44304
(330) 996-2222**

PROGRAM GOAL

- To provide a multi-track community control sanction for adult felony, misdemeanor, and traffic offenders assessed in need of nonresidential, structured, community corrections programming.

TARGET POPULATION

- Adult male and female felony, misdemeanor, and traffic offenders referred by any court or probation department within Summit County, or Oriana House, Inc., residential facilities.
- Adult males & females with any ORAS risk level. Length of programming is dependent on ORAS risk level and overall compliance.
- All clients leaving a CBCF or halfway house who need further programming and case management.

SCREENING PROCESS

- The referring agency may specify the type of supervision, programming, and program duration.
- Journal entries for offenders should read, "To enter and successfully complete" the program. Length of stay in the program is determined by risk level, areas of need, compliance with programming, and demonstration of learned skills.
- If the referral source determines that a client should be moved to a different track than originally ordered, the client's original placement will be closed accordingly and a new referral form will need to be sent to Admissions in order to schedule the client to begin their new track.

DESCRIPTION OF SUPERVISION AND SERVICES

- **Track One – UDS/Alcohol Monitoring**
 - Clients in this track will receive random urine drug screening (UDS) and alcohol testing only which will require a pre-payment of \$5 to Oriana House, Inc., per drug and alcohol screen (required prior to the urine drug screen being collected).
 - No case management or programming is provided.
 - Length of stay will be a maximum of 90 days.
 - Clients who are referred to Track 1 as a condition of their placement in a specialized Mental Health Docket may have predetermined reporting schedules based on individualized needs.

Successful Completions:

- At the completion of 90 days, a client who has submitted 60% or more of their random drug screens will receive a successful discharge.

Unsuccessful Releases:

- If a client fails to submit two consecutive UDS, they will be unsuccessfully discharged from the program.
- If a client submits a UDS that is classified as a new use, the Case Monitor will submit a recommendation to the referral source to have the client be referred to Track #2 – Substance Use Treatment in order to address the area of substance use. If approved by the referral source, a new referral form for Track #2 will need to be sent to the Oriana House Admissions Department.

- **Track Two – Substance Use Treatment**

- Substance use treatment will be the primary focus for clients in this track. Individualized programming will be determined by the results of their substance use assessment.
- Case management and UDS/Alcohol Monitoring (maximum of 2 UDS per week) will be provided.
- The length of placement will be a maximum of 180 days.

- Prior to release, a Community Plan will be completed and shared with the referral source in order to facilitate the client's continued engagement in substance use treatment following their successful discharge from Day Reporting case management services.
- Clients will be responsible for paying a \$5 per week program fee to Oriana House, Inc.

Successful Completions:

- Based on their ORAS CST/SRT risk level, low and moderate risk clients will be required to complete their recommended level of care, to submit negative UDS and alcohol tests for a minimum of 45 consecutive days prior to release, and achieve the program's completion criteria in order to earn a successful release.
 - Clients with ORAS CST/SRT scores of High and Very High will have to meet the same requirements listed above, plus the added requirement of completing 30 days of Aftercare following their successful discharge from primary treatment programming.
 - Clients are expected to complete all remaining treatment recommendations while under the on-going supervision of their referral source.
- **Track Three – Risk/Needs**
 - Clients in this track will complete all required programmatic assessments in each ORAS/CST domain with a sub-score of moderate or high risk.
 - The caseworker and client will review the assessment(s) results, referral source requirements and the client's level of motivation in order to develop an Individual Program Plan (IPP) that focuses on specific areas of need. These may include: substance use treatment, cognitive skills programming, employment programming, education and/or anger management.
 - Case management and UDS/Alcohol Monitoring (maximum of 2 UDS per week) provided.
 - Length of placement will be a maximum of 180 days.
 - Prior to release, a Community Plan will be completed and shared with the referral source in order to facilitate the client's continued engagement in substance use treatment following their successful discharge from Day Reporting case management services.
 - Clients' IPP compliance will be reviewed throughout their placement in order to determine their eligibility for release.
 - If engaged in substance use treatment upon release, clients will be expected to complete all remaining treatment recommendations while under the on-going supervision of their referral source.
 - Clients will be responsible for paying a \$5 per week program fee to Oriana House, Inc.
 - **Transitional Services** clients are placed in Track Three. Programming and continued case management and services for clients leaving the CBCF. Not to exceed 180 days.

FINANCIAL OBLIGATIONS

- Track One - Require a pre-payment of \$5 per drug and alcohol screen.
- Tracks Two and Three - Clients will be responsible for paying a \$5 per week program fee.
- Clients are required to address financial obligations, such as court costs, child support, fines, restitution, and any outstanding fees owed to Oriana House, Inc.

SUCCESSFUL COMPLETIONS

- Compliance with reporting requirements and recommended programming goals results in successful completion of the program. (See each track for specific requirements.)
- Demonstrate application of learned skills from assigned programming (if applicable).

UNSUCCESSFUL RELEASES

- Failure to adhere to reporting requirements.
- Failure to participate in recommended programming.
- Conviction of a new offense may result in unsuccessful program completion.

ELECTRONIC MONITORING/GPS PROGRAM

North Central Ohio: 65 St. Francis Avenue, Tiffin, Ohio 44883 (567) 220-7018

North Central Ohio: 103 South Front Street, Fremont, Ohio 43420 (567) 280-4023

Summit County: 921 Sherman Street, Akron, Ohio 44311 (330) 374-9425

Southeast Ohio: 200 Putnam St., 7th Floor, Ste. 425, Marietta, Ohio 45750 (740) 371-5126

Cuyahoga County: 6000 Hough Avenue, Cleveland, Ohio 44103 (216) 205-4679

PROGRAM GOAL

- To enable 24-hour monitoring while providing structured support for clients to continue in substance use treatment, education, vocational employment and/or mental health counseling.

TARGET POPULATION

- Adult, male and female, felony, misdemeanor, or traffic clients.
- Juveniles referred by Summit County and other Juvenile Courts.
- Pretrial release clients in need of supervision.
- Electronic Monitoring may be utilized for Oriana House clients as a reward for compliance in residential programs, or as a sanction for noncompliance in a nonresidential program, or as a direct placement.

SCREENING PROCESS

- Oriana House clients are referred to the Electronic Monitoring Program through the court, probation, parole, internal transfers, or emergency release from the County Jail.

DESCRIPTION OF SUPERVISION AND SERVICES

- Utilizes an active, tamper-proof, electronic monitoring system approved by the Ohio Bureau of Criminal Investigations.
- Provides 24-hour monitoring, seven days a week, 365 days a year.
- Primary programming is assessment driven, evidence based, and addresses criminogenic needs.
- May require random and weekly urine drug screens and alcohol testing.
- May require in-person reporting, based on risk/need assessment. Length of meetings will depend on need of client.
- May require verification of all activities outside the residence. Employment must be verified by time card and/or paystub.
- Monitoring of all treatment appointments and weekly attendance at Alcoholics Anonymous, support groups, individual counseling, and doctor's appointments, if applicable.
- Referral agency involvement is maintained by means of monthly progress reports, discharge reports, and notification of program violations.
- Referral agency is provided with copy of positive urine screens.
- Global Positioning Satellite (GPS) Monitoring is also available. There are three levels of GPS monitoring available: Active, Intermediate, and Passive. For an Active GPS referral the referring agency needs to provide a 24/7 contact person of authority to respond to violations.
- Visual Case Management App (VCMA) is available in limited areas. Participants are required to download a phone app that allows monitoring through geofencing and weekly curfew schedules (both are location based boundary settings) which are set up for each client. Alerts are generated if a client tries to remove the app or turn off the phone or cellular service. VCMA offers other features including photo, fingerprint, and security questions; appointment reminders; and instant messaging. VCMA installation is done remotely and is typically used for low risk offenders.

- Services available by referral, may include:
 - Case Management – EPICS focused
 - Substance Use Assessment
 - Substance Use Treatment & Aftercare
 - Relapse Prevention
 - Peer Recovery Supporters
 - Family Matters (support groups)
 - Education Services
 - Employment Services
 - Cognitive Skills Program
 - Community Service
 - Limited Case Management for clients referred by Summit County Juvenile Court

FINANCIAL OBLIGATIONS

- Client may be required to address financial obligations, such as court costs, child support, fines and restitution.
- Summit County: A refundable deposit of \$50 for adults and \$25 for juveniles is required for all types of electronic monitoring equipment; however there is no deposit fee for APA or Federal referrals. Per diems are based on a sliding fee scale for adults; Summit County Juvenile Court is billed for juvenile per diems. Out of county referrals pay an additional \$50 installation fee and a minimum of \$7 per day (this fee could be higher based on the client's gross income.)
- Stark County: Stark County clients are paid for by the court unless otherwise indicated.
- North Central Ohio and Cuyahoga County: Installation fees and per diems are determined by referral type.
- For all other clients, fees will be determined based on contractual agreement.

SUCCESSFUL COMPLETIONS

- Compliance with program conditions, positive program participation, completion of required programming and adherence to prescribed time-schedule result in successful completion.

UNSUCCESSFUL RELEASES

- Failure to adhere to the Oriana House rules of the referring agency or Oriana House results in unsuccessful completion.
- Tampering with equipment may result in termination from the program.

ALCOHOL MONITORING

North Central Ohio: 65 St. Francis Avenue, Tiffin, Ohio 44883 (567) 220-7018

North Central Ohio: 103 South Front Street, Fremont, Ohio 43420 (567) 280-4023

Summit County: 921 Sherman Street, Akron, Ohio 44311 (330) 374-9425

Southeast Ohio: 200 Putnam St., 7th Floor, Ste. 425, Marietta, Ohio 45750 (740) 371-5126

Cuyahoga County: 6000 Hough Avenue, Cleveland, Ohio 44103 (216) 205-4679

Canton, Ohio: 218 Cleveland Avenue SW, Canton, Ohio 44702 (330) 760-7501

PROGRAM GOAL

- To enable the courts, probation staff, and treatment providers to monitor clients on a 24-hour basis to determine their use of alcohol.

TARGET POPULATION

- Adult and juvenile male and female offenders who have been convicted of multiple DUI violations and are seeking driving privileges or who need 24-hour alcohol monitoring.
- Persons arrested for alcohol related offenses that the court makes abstinence from alcohol a condition of bond.
- Persons engaged in substance use treatment who have demonstrated an inability to refrain from the use of alcohol.
- Offenders under supervision who have demonstrated an inability to remain alcohol free.
- For clients referred to the North Central Ohio program, the program shall be a minimum of 30 days and a maximum set by the court; for clients referred to the Summit County program, the program shall be a minimum of 45 days and a maximum set by the court.
- For persons requiring monitored visitation from Domestic Relations court.

SCREENING PROCESS

- The court, probation officer, or treatment provider determines the need for 24-hour alcohol monitoring for each client based on the need for monitoring and the client's need for abstinence.
- In Summit County, a referral is made by calling Oriana House's Admissions Department at (330) 535-8116.
- For all other clients, a referral is made by calling the nearest office listed at the top of this page.

DESCRIPTION OF SUPERVISION AND SERVICES

- Utilizes an alcohol-monitoring device that measures a person's Transdermal Alcohol Concentration™ (TAC). The system is known as Secure Continuous Remote Alcohol Monitor or SCRAM.
- The client will wear a tamper-resistant ankle bracelet that resembles a typical electronic monitoring device. This device measures the client's perspiration for the presence of alcohol that is excreted through the skin.
- The SCRAM bracelet communicates with a modem that is connected to the client's landline phone. The modem transmits the data to a host computer that records all tests and tamper information. Clients without landline phone service may be required to report to the facility at a minimum of two times a week to download the SCRAM bracelet. A cellular modem is available for clients who reside outside of city limits and therefore are unable to report.
- Oriana House staff receives the information from the host computer on a regular basis with "alerts" being processed daily and violations reported to the referring agency.
- Clients will report in person to Oriana House for a check of their equipment within the first week of enrolling and every two weeks thereafter, or as needed. Urine drug screens will be conducted randomly and or as ordered by the court up to twice per month. Clients must pay their fees in advance at the time of reporting.
- Case Management services will be limited to supervising the client to assure compliance with program rules and communications with the referring agency.

- Remote breath alcohol monitoring is also available. A hand-held cellular device utilizes facial recognition for identity verification and provides a GPS location of where the client is while testing.

FINANCIAL OBLIGATIONS

- For clients referred to the Summit County program: The client is responsible for a \$50 refundable equipment deposit, a \$75 installation fee and daily monitoring fee. The daily fee for all services will be based on the client's gross weekly income up to a maximum of \$13 per day. All referrals from non-contracting jurisdictions will pay a daily fee of \$13 per day. Clients referred from courts that contract for services may pay according to a sliding scale as approved in the contract. Clients referred from non-contracting jurisdictions will be required to pay for the entire costs of the program.
- For clients referred to the North Central Ohio program: The client is responsible for a \$25 installation fee and daily monitoring fee. Clients referred from courts that contract for services may pay according to a sliding scale as approved in the contract. Clients referred from non-contracting jurisdictions will be required to pay for the entire costs of the program.
- For clients referred to Southeast Ohio program: Call 330-374-9425 for financial information.
- For clients in Cuyahoga or Stark Counties: All fees are determined by the referral source.
- All fees must be paid in advance. The installation fee, deposit, and the first week's per-day fee will be paid upon installation. The per-day fee for the remainder of the program will be collected in advance during the course of the program.

SUCCESSFUL COMPLETIONS

- Abstinence from alcohol throughout the duration of the monitoring period will result in successful program completion. It can be expected that not all clients will remain alcohol free for the entire period of monitoring. Clients who experience some adjustment issues should become and remain alcohol free within the first few weeks of the program.

UNSUCCESSFUL RELEASES

- Failure to remain alcohol free may result in termination or referral to the supervising agency for further sanctions.
- Tampering with equipment may result in termination or referral to the supervising agency for further sanctions.

PRETRIAL SUPERVISION

Summit County: 750 West Market Street, Akron, Ohio 44303 (330) 996-2225
Cleveland Municipal Court: 6000 Hough Avenue, Cleveland, Ohio 44103 (216) 205-4679

PROGRAM GOAL

- To provide supervision of defendants awaiting trial.
- To assure compliance with the conditions of release from jail and bond requirements as imposed by a judicial officer.

TARGET POPULATION

- Summit County & Seneca County: Defendants who have been booked into the County Jail due to a felony arrest with the exception of defendants who are charged with the following:
 - Probation or parole violation
 - Fugitive from justice
 - Charge that is a hold for another jurisdiction
 - Common Pleas capias if case previously arraigned
 - Non-support of dependents (Summit County only)
- Cleveland Municipal Court: Defendants who have been booked into the Cuyahoga County Jail due to a misdemeanor arrest.

SCREENING PROCESS

- Pretrial Services staff assesses and evaluates potential clients for the program and makes a recommendation to the court.
- Once eligibility is determined, the court may release the defendant, as a condition of bond, to adhere to the rules and regulations of the Pretrial Supervision Program.
- Bond type and supervision level are determined by a validated risk assessment conducted by Pretrial Services. Defendants are placed in categories of minimum, medium and maximum supervision as court ordered. Special conditions of release may also be ordered.

DESCRIPTION OF SUPERVISION AND SERVICES

- Defendants are monitored by the Pretrial Supervision Program. Staff track clients' compliance with reporting and conditions of release. All court dates are verified and documented and communicated to clients on a weekly basis.
- Reporting requirements and program placement are determined by the risk level.
 - Minimum – report once in person, then weekly by phone
 - Medium – report once in person, then every other week in person, alternate weeks by phone
 - Maximum – report weekly in person
- Special conditions of supervision ordered by the court may include, but are not limited to:
 - Referrals to treatment programs or other services
 - Random drug and alcohol testing
 - Electronic monitoring, alcohol monitoring, and residential placement
- No case management is provided other than to provide referral services.

FINANCIAL OBLIGATIONS

- Summit County: There are no programming costs to the clients with the exception of clients ordered to participate in electronic monitoring or residential placement.
- Cleveland Municipal Court: There are no programming costs to the clients with the exception of replacement costs or costs of damages to Electronic Monitoring equipment and/or Alcohol Monitoring equipment.
- Seneca County: Clients are required to address financial obligations, such as court costs, child support, fines, restitution, and any outstanding fees owed to Oriana House and are required to

pay programming costs associated with Electronic Monitoring and/or Alcohol Monitoring. A sliding fee scale is available. Clients are required to pay any bond amounts if ordered by the court.

SUCCESSFUL COMPLETIONS

- The defendant appears for court, the case is adjudicated, and the defendant did not have his/her bond revoked as it relates to pretrial supervision.

UNSUCCESSFUL RELEASES

- Failure to appear, a new arrest, or a technical violation may result in termination from the program.

AKRON RECOVERY COURT

(Municipal Drug Court)
750 W. Market Street
Akron, Ohio 44303
(330) 996-2225

PROGRAM GOALS

- To provide effective supervision and enhanced treatment services to misdemeanor offenders in an effort to change their chemical dependency behaviors and reduce the risk they pose to the safety of the community and to themselves.
- To assist participants in obtaining a sober and crime-free lifestyle.
- To reduce the stigma attached to a criminal conviction, for those eligible to have their charge dismissed upon completion.
- To provide appropriate substance use treatment.
- To facilitate behavioral change through the use of risk/needs assessments, referrals to appropriate community services and comprehensive case management services.

TARGET POPULATION (Intervention in Lieu of Conviction Track)

Akron Municipal Court defendants who:

- Meet the statutory requirements set forth in R.C. 2951.041;
- And express a willingness to participate in Recovery Court programming and engage in treatment.

TARGET POPULATION (Probation Track)

Akron or Stow Municipal Court defendants who:

- Are currently under the supervision of the Akron Municipal Court Probation Department;
- Are diagnosed with substance use disorder;
- Are approved by the Probation Officer(s) and Recovery Court team;
- And express a willingness to participate in Recovery Court Programming and engage in treatment.

Disqualifying Legal Factors:

- Violent Felony convictions within the past five years, or has served a prison term within the past five years for a violent offense
- Active felony probation or parole supervision
- Prior convictions for Trafficking or Distribution of Drugs
- Registered Sex Offenders
- Prior successful completion of the Akron Recovery Court or the Summit County Drug Court/Turning Point Program within the past two years
- Prior successful completion of an Intervention in Lieu of Conviction Program
- For those offenders participating through the Intervention In Lieu of Conviction Track, prior drug treatment program
- Unsuccessful discharge from the Akron Recovery Court or Summit County Drug Court/Turning Point Programs

Disqualifying Clinical Factors:

- Highly resistant to changing behavior in spite of previous interventions and/or punishments
- Diagnosis of Developmental Disability if this disability prohibits the offender from complying with or comprehending chemical dependency treatment
- Co-occurring mental health or medical conditions if there is no adequate treatment available

Cases will be reviewed on an individual basis to determine the extent and circumstances surrounding the disqualification factors versus the need to participate in the program. Written and

clinical eligibility criteria DO NOT create a right to participation. The Recovery Court Judge has the ultimate discretion on admission to the program.

SCREENING PROCESS (Intervention In Lieu of Conviction Track)

- At arraignment, a pretrial will be scheduled with the Recovery Court judge and defendants will be afforded counsel to make a formal request.
- The Recovery Court judge will then schedule a hearing, stay the proceedings.
- The defendant will be required to complete the prescreening and assessment process to determine eligibility under R.C. 2951.041.
- If eligible for admission the Recovery Court Judge will accept the plea following the eligibility hearing.

SCREENING PROCESS (Probation Track)

- At arraignment, offenders who appear to be eligible will be required to complete the prescreening and assessment process to determine eligibility for the program.
- If eligible, the offender will be afforded counsel at the time the guilty plea is entered.
- The Recovery Court Judge will accept the plea, enter the conviction and sentence the offender to the Recovery Court Program in lieu of incarceration.
- Other Akron Municipal Court Judges may transfer cases to Recovery court, both at the pre-plea and post plea stage of the proceedings.
- Offenders who are sentenced to community control or incarceration may also be referred from other Akron Municipal Court Judges to the Recovery Court.

DESCRIPTION OF SUPERVISION AND SERVICES

- This program operates in conjunction with the Akron Municipal Court and the Akron Municipal Court Probation Department. The Recovery Court Judge provides regular judicial sessions for dispositions, progress reviews, rewards, and sanctions.
- Client program needs are determined through standard risk/needs assessment used to develop an individualized program plan.
- Substance Use assessments are conducted by a certified chemical dependency counselor who will recommend the most appropriate level of substance use treatment.
- Twelve-step program participation is encouraged.
- Case management sessions are held as determined by a client's compliance and individual needs.
- Random and routine urine drug screens and alcohol tests are required.
- In-house services may include:

Case Management
Substance Use Assessment Updates
Substance Use Treatment
Substance Use Aftercare
12-Step Programs
Peer Recovery Supporters
Medication for Addiction Treatment

Family Matters (support groups)
Crisis Intervention Counseling
Cognitive Behavioral Programming
Employment Services
Financial Education Classes
Crisis Intervention Counseling
Trauma Treatment/Education

FINANCIAL OBLIGATIONS

- Clients are responsible to pay a program fee of \$5 per week. Clients are also responsible to pay \$110 in court costs. Clients who are indigent may apply for a reduction or waiver of the program fee.
- Clients will be required to address financial obligations, including court costs, child support, license reinstatement fees, fines, restitution, and any outstanding fees owed to Oriana House.

SUCCESSFUL COMPLETIONS

- Maintain compliance with all treatment, including attendance and participation, as outlined in the Individualized Treatment/Program Plan.
- Maintain sobriety for a minimum of 12 months for Intervention In Lieu of Conviction Track participants, 120 days for probation track participants.
- Maintain no criminal justice involvement for six months prior to completion.
- Attend all case management and status review appointments as required.
- Accomplish all ancillary goals as outlined in the Individualized Treatment/Program Plan.
- Comply with all rules of probation, including all community service hours and financial obligations as directed throughout the program and in the Individualized Treatment/Program Plan.
- Establish a written Relapse Prevention Plan/Life Plan.
- Attend commencement ceremony.
- For participants in the Intervention In Lieu of Conviction Track, successful completion will result in plea being vacated and dismissal of charges. Participants in this Track are eligible to apply to have their record sealed.
- Participants in the Probation Track are not eligible to have their charges dismissed.

UNSUCCESSFUL RELEASES

- Non-compliance with treatment plan and required programming.
- The Recovery Court Judge has the ultimate discretion on termination from the program.

THE TURNING POINT PROGRAM

(Summit County Felony Drug Court)

750 West Market Street

Akron, Ohio 44303

(330) 996-2225

PROGRAM GOALS

- To assist clients in achieving a sober and crime-free lifestyle.
- To provide an intense and structured level of judicial supervision, appropriate substance use treatment, and case management services in order to facilitate behavioral change.

TARGET POPULATION

- There are two offender populations served by the Turning Point Program.
 - **Track 1- Current Intervention In Lieu of Conviction (IILC) participants**
Current IILC participants in danger of being terminated can be referred to The Turning Point Program by the assigned Court. Participants are ordered to complete The Turning Point Program as a condition of IILC. After one year of sobriety, the case may be dismissed.
 - **Track 2- Community Control Violators or defendants newly sentenced to Community Control**
As a condition of Community Control, probationers are ordered to complete the Turning Point Program. This is a post-conviction track with the goal of gaining a sober and law-abiding lifestyle.

SCREENING PROCESS

- The assigned court and/or supervising probation officer may refer cases to either Track.
- Prospective participants complete an application and a substance use assessment.
- Prospective participants undergo an interview to complete the Ohio Risk Assessment System (ORAS).
- After all three documents are completed, court personnel review cases for eligibility.
- Participants are required to have a diagnosed substance use disorder.
- Males must have a moderate score or higher on the ORAS.
- Females must have a low/moderate (with other risk factors) score or higher on the ORAS.

DESCRIPTION OF SUPERVISION AND SERVICES

- This program operates in conjunction with the Summit County Court of Common Pleas. The Turning Point Program Judge provides weekly judicial sessions for dispositions, progress reviews, rewards and sanctions.
- Client program needs are determined through standard risk/needs assessments used to develop an Individualized Program Plan.
- Substance use assessments are used to determine the most appropriate level of substance use treatment. Compliance and completion of substance use treatment programming is required.
- Twelve-step program participation is encouraged and frequently required.
- Clients attend case management sessions throughout the program. The frequency of case management services is determined by a client's compliance and individual needs.
- Random and routine urine drug screens and alcohol tests are required.

- In-house services may include:

Case Management Services	Cognitive Behavioral Programming
Substance Use & Mental Health Assessment	Family Matters (support groups)
Substance Use Treatment & Aftercare	Anger Management Class
Medication for Addiction Treatment	Employment Services
Peer Recovery Supporters	Financial Management Class

FINANCIAL OBLIGATIONS

- Clients are responsible to pay a \$5 per week program fee as well as court costs, restitution, and probation fees prior to completion of the program. Indigent clients may apply for a program fee reduction or waiver.
- The amount of court costs is determined by the Summit County Clerk of Court. Program fees are paid weekly, bi-weekly, or in monthly installments.
- Clients are required to address financial obligations, including court costs, child support, reinstatement fees, fines, restitution, and any outstanding fees owed to Oriana House.

SUCCESSFUL COMPLETIONS

Graduation criteria are the guidelines used to identify how participants can successfully complete the Turning Point Program. Criteria for successful completion of the Turning Point Program demonstrating acceptable behavior and compliance include but are not limited to:

Compliant Behavior:

- Demonstrated period of abstinence from alcohol and drugs.
- Track 1: Twelve consecutive months of sobriety and six months crime free.
- Track 2: Six or more consecutive months of sobriety and six months crime free.
- Attended sober support group meetings.
- Display a change in thinking, attitude, and beliefs.
- Successfully completed treatment or programming.
- Obtain and/or maintain consistent employment.
- Demonstrated ability to identify and eliminate criminal thinking patterns.
- Good faith effort to pay all financial sanctions demonstrated by regular payment history or complete community service, and treatment costs; and

Accomplishments:

- Demonstrated abstinence from alcohol and drugs as evidenced by negative screens.
- Completion of treatment.
- Involvement in pro-social activities.
- Completed Turning Point Program requirements.
- Paid in full: restitution, fines, and court costs unless otherwise determined.
- Display responsibility for his or her behavior.
- Demonstrated stability in the community.

The judge has the discretion to determine when the participant will successfully complete the program.

UNSUCCESSFUL RELEASES

The judge has discretion to decide termination in accordance with the following:

- Ongoing non-compliance with treatment or resistance to treatment;
- New criminal conviction;
- Any Turning Point Program rule infraction or series of infractions;
- A Community Control violation or series of Community Control violations;

If participant is unsuccessfully terminated from the Turning Point Program they are subject to the following possible sanctions:

- A Community Control Violation
- The imposition of other penalties and incarceration
- Track 1 participants will be sentenced, resulting in a felony conviction.

COMPASS PROGRAM
(Washington County Court of Common Pleas Drug Court)
200 Putnam Street, 7th floor
Marietta, Ohio 45750
(740) 371-5140

PROGRAM GOALS

- To assist clients in achieving a sober and crime free lifestyle.
- To provide judicial supervision, appropriate substance use treatment, and case management services in order to facilitate behavioral change.

TARGET POPULATION

Washington County resident who:

- Is an Intervention in Lieu of Conviction participant or Community Control violator where alcohol and/or drug use is directly related to noncompliance or;
- Is placed on Community Control/Probation for a felony/misdemeanor offense or has been granted Judicial Release and placed on Community Control for a felony offense and;
- Must be mentally competent and have the developmental capacity to adhere to the participation requirements and;
- Must be assessed and diagnosed with a substance use disorder by an approved alcohol and drug treatment provider and have a level of care recommendation of Intensive Outpatient Treatment or higher and;
- If female, must have a low/moderate, moderate, or high score on the Ohio Risk Assessment System (ORAS); and if male, must have a moderate, high, or very high score on the ORAS.

Disqualifying Legal Factors:

- Engaged in drug distribution or manufacturing network
- Crime of violence conviction
- Registered sex offender
- The offender is on felony community control, post release control, or parole with another jurisdiction
- Pending felony case in another jurisdiction

SCREENING PROCESS

- The assigned, supervising Adult Parole officer and/or assigned Judge may refer.
- Prospective participants will meet with the Compass Program Coordinator to complete the ORAS and the application packet and to review the program handbook.
- Prospective participants will be referred to the Rigel Recovery Services for an alcohol and drug assessment within seven days (unless a current assessment is available).
- The Compass Program team reviews cases for eligibility.
- The Compass Program judge has discretion to decide admission to the program.

DESCRIPTION OF SUPERVISION AND SERVICES

- The program consists of progressive phases, with reporting requirements going from most restrictive to least restrictive, as the client learns new skills and moves further along in his or her recovery.
- Substance use treatment services through approved providers.
- Random and routine urine drug screens are required.

- Ancillary services provided by Oriana House or community agencies may include:

Educational and Vocational Training	Employment
Transportation	Housing
Trauma-informed Programming	Cognitive Skills Programming
Physical and Dental Health	Family Matters (support groups)
Mental Health Counseling	Medication Monitoring

FINANCIAL OBLIGATIONS

- Clients will address financial obligations, including court costs, child support, license reinstatement fees, fines, restitution, and any outstanding fees owed to Oriana House.

SUCCESSFUL COMPLETIONS

- Compliance with program requirements and goals.
- Continue to comply with all recommendations from your treatment provider.
- Engage in at least two prosocial/positive activities each month.
- Submit an idea for a community engagement project to the team for approval. Once approved, complete project before graduation.
- Maintain a positive social network.
- Complete community plan and submit to team for approval.
- Attend at least one recovery support group meeting each week.
- Maintain a minimum of 90 consecutive days of sobriety leading up to graduation.

The Judge has the discretion to determine when the participant will successfully complete the program.

Participants who are on Community Control/Probation may be released from supervision. The Compass Program Judge will make the decision after considering the individual's progress and achievements in the program along with the recommendation from the treatment team.

UNSUCCESSFUL RELEASES

The Compass Program Judge has discretion to decide termination from the Compass Program in accordance with the following Compass Program written criteria.

- Ongoing non-compliance with treatment or resistance to treatment;
- New criminal conviction;
- Any Compass Program rule infraction or series of infractions;
- A Community Control/Probation violation or series of Community Control/Probation violations.

If a participant is unsuccessfully terminated from the Compass Program they are subject to the following actions:

- A Community Control Violation and/or;
- The imposition of other penalties and incarceration and/or;
- Intervention in Lieu of Conviction participants will be sentenced, resulting in a felony conviction.

Washington County Behavioral Health Board

This program has received generous support from the Washington County Behavioral Health Board thanks to the passage of the Washington County Mental Health Levy.

SUMMIT COUNTY REENTRY COURT

**154 Furnace Street
Akron, Ohio 44304
(330) 996-2222**

PROGRAM GOALS

- To provide an intense and structured level of judicial supervision, treatment and case management services to adult offenders granted a period of Judicial Release.
- To reduce the rate of recidivism and the rate of return to prison through the offender's measurable progress in achieving treatment goals.

TARGET POPULATION

- Adult felony offenders granted Judicial Release deemed in need of intense, continued services and supervision by the court.
- **Exclusions:**
 - The offender is actively working as a police informant;
 - The offender is a registered Tier III sex offender;
 - The offender is not a resident of Summit County or an adjoining county.

DESCRIPTION OF SUPERVISION AND SERVICES

- Weekly meetings with the Reentry Court team to discuss client progress and status.
- Weekly judicial sessions for intakes, dispositions, judicial rewards and sanctions.
- Client program needs are determined through the Ohio Risk Assessment System (ORAS) and background reports Individual Program Plan is based on client risks/needs.
- The program has four phases and lasts a minimum of 12 months:
 - Assessment/Orientation Phase
 - Program Engagement Phase
 - Growth and Development Phase
 - Maintenance Phase
- Frequent urine drug screens and alcohol tests.
- Graduated sanctions are imposed for failure to adhere to program requirements.
- In-house services may include, but are not limited to:

Case Management	Thinking for a Change Program
Substance Use & Mental Health Assessment	Employment Services
Substance Use Treatment	Financial Education Class
Substance Use Aftercare	Housing referrals
Education Services	Family/Marital referrals
Mental Health Referrals	Peer Recovery Supporters
Child Support Class	Family Matters (support groups)

FINANCIAL OBLIGATIONS

- Clients are required to pay \$5 per week program fee.
- Clients are required to address financial obligations, including court costs, child support, reinstatement fees, fines, restitution and any outstanding fees owed to Oriana House.

SUCCESSFUL COMPLETIONS

- Completion of all phases and program requirements and an ability to demonstrate acquired skills that facilitate behavior change and reintegration into the community.
- Obtained required dosage hours.
- Satisfied all court requirements, including payment of restitution and court costs.

UNSUCCESSFUL RELEASES

- Failure to adhere to program requirements may result the imposition of the prison sentence.

AKRON MUNICIPAL FAMILY INTERVENTION COURT
Track One – Diversion; Track Two - Probation
154 Furnace Street
Akron, Ohio 44304
(330) 996-2222

PROGRAM GOAL

- Family Intervention Court Track One - To provide a specialized level of supervision and counseling services to adult offenders charged with domestic violence. Upon successful completion of the program, the case will be dismissed.
- Family Intervention Court Track Two - To provide a specialized level of supervision and counseling services to adult offenders convicted of domestic violence. This is the more intensive program of the two and is designed for repeat, higher risk offenders.

TARGET POPULATION

- Family Intervention Court Track One - Adult offenders arrested for domestic violence, a misdemeanor of the first degree, who qualify for probation or other community placement.
- Family Intervention Court Track Two - Adult offenders convicted of domestic violence, a misdemeanor of the first degree, who qualify for probation or other community placement.

SCREENING PROCESS

- Clients must be approved for participation in the program by the arresting police department, prosecutor's office, and victim.

Family Intervention Court Track One Exclusionary Criteria:

- No more than five contempt citations;
- No more than one non-violent felony conviction;
- No more than five nonviolent misdemeanor convictions in the past ten years;
- No prior assault or Domestic Violence convictions;
- No prior diversion placement, except for Akron Municipal Court DRP or the equivalent from another court;
- No active probation, community control or parole;
- No pending felony charge(s) or felony companion case;
- No pending violent misdemeanors;
- No companion resisting arrest charge or endangering children charge;
- Victim must be a family or household member and 18 years of age;
- No use of a firearm in the instant offense;
- Must be a United States citizen;
- No reasonable objection from the victim

Family Intervention Court Track Two Exclusionary Criteria:

- Victim must be a family or household member and 18 years of age;
- More than two prior violent felony convictions, and/or more than four nonviolent felony convictions;
- No history of sexually oriented offenses;
- No more than five prior misdemeanor assault and/or domestic violence conviction within the past ten years;
- Cannot have active felony probation, community control or parole;
- No pending nonrelated felony cases;
- No companion felony cases;
- No use of a firearm in the instant offense;
- No use of any weapon that resulted in an injury to the victim;
- Must be a United States citizen;

- No pending violent misdemeanor charges;
- No reasonable objection from the victim;
- Aggravated nature of the circumstances of the offense.

DESCRIPTION OF SUPERVISION AND SERVICES

- This program operates in conjunction with the Akron Municipal Court and the Akron Probation Department. The Family Intervention Court Judge provides regular judicial sessions for dispositions, judicial rewards, and sanctions.
- Client program needs are determined through a standard risk/needs assessment, substance use assessment and a specialized domestic violence screening tool.
- Coordination of services with the Battered Women's Shelter for victim advocacy issues, the Victim Assistance Program for the client's participation in violence cessation counseling, and Summit Psychological Association for client participation in the Time Out Diversion (Family Intervention Court Track One) and Conflict Solutions Program (Family Intervention Court Track Two).
- Monthly program summaries are provided to the Probation Department.
- Random urine drug screens and alcohol tests are required.
- In-house services may include, but are not limited to:
 - Case Management
 - Cognitive Behavioral Programming
 - Substance Use Treatment
 - Financial Education Classes
 - Mental Health Counseling
 - Employment Services
 - Family/Marital Counseling Referrals
 - Peer Recovery Supporters
 - Family Matters (support groups)
 - Education Services

FINANCIAL OBLIGATIONS

- Client will address financial obligations such as court costs (including any warrant fees), public defender fee, child support, program fees, counseling fees, restitution, and outstanding fees owed to Oriana House.
- Clients are required to pay \$5 per week.
- Clients are also required to pay counseling fees for Time Out Diversion (FIP) and Conflict Solutions Program (FIC).
- Fees are paid weekly, bi-weekly, or in monthly installments.

SUCCESSFUL COMPLETIONS

- Family Intervention Court Track One clients are successfully released when they have completed one year of the program, including six months of participation in the Time Out Diversion Program, addressed financial obligations, and maintained abstinence for a minimum of 90 days.
- Successful completion of the program results in the guilty plea being vacated and the charge dismissed.
- Family Intervention Court Track Two clients are successfully released when they have completed one year of the program, including six weeks of participation in Thinking Errors Cognitive programming and six months of participation in the Conflict Solutions Program, addressed financial obligations, and maintained abstinence for a minimum of 90 days.
- Successful completion of the program results in release from Akron Municipal Court supervision.

UNSUCCESSFUL RELEASES

- Failure to adhere to program requirements may result in graduated sanctions and the imposition of the previously held-in-abeyance sentence of 180 days.

VALOR COURT
(Summit County Veterans Court)
154 Furnace Street
Akron, Ohio 44304
(330) 996-2222

PROGRAM GOALS

- To provide an intense and structured level of judicial supervision, treatment, and case management services to adult offenders who possess previous or current military service.
- To reduce the stigma attached to a criminal conviction, for those eligible to have their charge dismissed upon completion.
- To facilitate behavioral change through the use of risk/needs assessments, referrals to appropriate community services, and comprehensive case management services.

TARGET POPULATION

- Be a defendant in Summit County Court of Common Pleas.
- Be a veteran or active duty service member who is or may be eligible for benefits or services through the Veterans Administration.
- Have 3rd, 4th, or 5th degree felony charge.
- Eligible for intervention in lieu of conviction program or community control supervision.
- Enter a plea of guilty to the offenses, sign waiver, release of information, and participation agreement forms.
- Express the willingness to participate in Valor Court programming and engage in treatment and any other recommended programming.

SCREENING PROCESS

- The assigned court and/or supervising probation officer may refer cases.
- Prospective participants will meet with the Valor Court Probation Officer and undergo an interview to complete the Ohio Risk Assessment System (ORAS).
- The Valor Court Probation Officer and the Valor Court Presiding Judge will determine if prospective participants are eligible for based on the written legal and clinical eligibility requirements.
- Potential, willing participants will be scheduled for a court hearing for formal admission into the program.

DESCRIPTION OF SUPERVISION AND SERVICES

- This program operates in conjunction with the Summit County Court of Common Pleas. The Valor Court Judge provides weekly judicial sessions for disposition, progress reviews, and sanctions.
- Client program needs are determined through standard risk/needs assessment used to develop an Individualized Program Plan.
- Clients attend case management sessions throughout the program. The frequency of case management services is determined by the client's compliance and individual needs.
- Random urine drug screens and alcohol tests are required.
- In-house services may include:

Case Management	Peer Recovery Supporters
Substance Use Treatment	Self-Help Meetings
Crisis Intervention Counseling	Cognitive Behavioral Programming
Employment Services	Financial Education Classes
Medication for Addiction Treatment	Mental Health Counseling

FINANCIAL OBLIGATIONS

- There are no program fees for clients.
- Clients are required to address financial obligations such as court costs, child support, reinstatement fees, fines, and restitution.

SUCCESSFUL COMPLETIONS

- Satisfy all court and program requirements, including payment of restitution and court costs.

UNSUCCESSFUL RELEASES

- Failure to adhere to program requirements may result the imposition of the prison sentence.

SUMMIT COUNTY PRETRIAL DIVERSION PROGRAM

750 West Market Street, Akron, Ohio 44303 (330) 996-2225

PROGRAM GOALS

- To provide an alternative to prosecution for first-time, non-violent, low-level felony offenders.
- To hold offenders accountable for their actions.
- To assist offenders in learning new ways to deal with issues that contributed to illegal behavior.
- To avoid a criminal conviction.

TARGET POPULATION

- Adult first-time, non-violent, felony offenders amenable to counseling.

SCREENING PROCESS

- Defense attorney makes request for diversion to the Summit County Prosecutor's Office.
- Courtroom prosecutor reviews the case. If appropriate for Diversion, the prosecutor contacts the arresting officer(s) and victim(s) to see if they have any objections to the defendant participating in the program.
- Diversion counselor interviews the defendant to determine appropriateness for the program.
- Diversion counselor forwards report and recommendation to the prosecutor who will make the final decision to either reject or accept the application for diversion.

DESCRIPTION OF SUPERVISION AND SERVICES

- Client participates in counseling with the diversion counselor as client's risks and needs warrant, ordinarily every two weeks.
- Client and the diversion counselor develop a treatment plan addressing issues and thinking leading to illegal behavior, as well as other risk/needs.
- Outside referrals may be utilized as well to meet risk/ needs.
- Restitution must be paid and is processed through the diversion counselor.
- Client submits to urine drug screens as required.

FINANCIAL OBLIGATIONS

- \$20 screening fee.
- Client incurs a fee for service based on financial assessment utilizing Summit County ADM Board sliding fee scale for services.
- Restitution, if applicable.
- Court costs and court-appointed attorney fees as ordered by the court.

SUCCESSFUL COMPLETIONS

- Clients are considered successfully released when they are in the program at least six months, but no longer than 18 months; when all treatment goals are met; and when all restitution and applicable court costs are paid.
- Successful release results in a recommendation to the judge that the pending charges be formally dismissed and the client's arrest record sealed.

UNSUCCESSFUL RELEASES

- Failure to follow through with treatment plan results in unsuccessful completion of the program.
- Failure to follow through with any referral may result in an unsuccessful completion.
- A new conviction on a felony charge results in unsuccessful release from the program. Unsuccessful release is also possible on a new M1 or lower conviction.
- Unsuccessful release results in notification to the prosecutor's office. The prosecutor's office will schedule a sentencing date and the case will be returned to the court for further disposition.

CRIMINAL NON-SUPPORT PROGRAM in Summit County

154 Furnace Street, Akron, Ohio 44304 (330) 996-2222

PROGRAM GOAL

- To facilitate behavior changes for the criminal non-support offender to ensure the payment of current and future child support.

TARGET POPULATION

- Criminal non-support felony offenders who have violated other community control sanctions, have the ability to work, and otherwise may be incarcerated in the prison system.

SCREENING PROCESS

- *Prospective participants who are currently on probation:* the probation officer and prosecutor will make a recommendation to the judge that, as a result of a probation violation, the offender be sentenced to the Criminal Non-Support program. The offender must have a minimum of 545 days remaining on probation, will enter a guilty plea to the probation violation, and be sentenced to the Criminal Non-Support Program.
- *Prospective participants indicted with new nonsupport offense(s) and who have previous convictions of non-support* will, after their arraignment, be deemed eligible for the Criminal Non-Support Program based on the prosecutor's recommendation or recommendation of the court. The defendant will appear before the common pleas judge assigned to the case and enter a guilty plea to the new indictment. The judge will impose the sentence, place the defendant on probation for 18 months and require participation and completion of the Criminal Non-Support Program.
- **Exclusionary Criteria:**
 - Any client unable to work or participate in the program.

DESCRIPTION OF SUPERVISION AND SERVICES

- Offenders are sentenced to the program for a maximum of 18 months.
- Each client will be assigned a caseworker for case management. Clients will have their program needs determined through a standard risk/needs assessment.
- An individual program plan (IPP) is developed and implemented.
- Clients must actively seek and maintain employment, and make child support payments as directed. Payment of child support is monitored.
- In-person reporting is required as often as five days per week.
- Summit County Adult Probation Department is notified within 24 hours or the next business day of significant program violations.
- Urine drug screens and alcohol tests are required.
- Clients who are not compliant with the nonresidential placement requirements will be subject to a continuum of sanctions, including increased reporting and supervision; placement on a behavioral contract; residential placement; and program termination.
- In-house services may include, but are not limited to:

Case Management	Financial Management
Substance Use Assessment	Family Matters (support groups)
Substance Use Treatment	Cognitive Behavioral Programming
Employment Services	Child Support Enforcement Agency
Peer Recovery Supporters	

FINANCIAL OBLIGATIONS

- Clients are charged \$5 per week or part thereof.
- Clients are required to address financial obligations including child support payments, court costs and/or fines, and any outstanding fees owed to Oriana House.

SUCCESSFUL COMPLETIONS

- Compliance with reporting requirements and fulfillment of individual program plan requirements result in successful completion of the program. The offender must pay child support as ordered and attend appropriate programming as outlined in the individual program plan (IPP).

UNSUCCESSFUL RELEASES

- Failure to adhere to reporting requirements, employment requirements, child support payment, and/or the individualized program plan or conviction of a new offense may result in unsuccessful program completion.

Cognitive Behavioral Programming

Cuyahoga (SCOPE): 1834 East 55th Street, Cleveland, Ohio 44103 (216) 881-5440

Southeast Ohio: 27830 State Route 7, Marietta, Ohio 45750 (740) 371-5126

Summit County: 213 Glenwood Avenue, Akron, Ohio 44310 (330) 996-2222

Cognitive programming is provided in all Oriana House halfway houses, community based correctional facilities, and non-residential programs.

PROGRAM GOAL

- A Cognitive Behavioral Specialist is responsible for the direct implementation of Cognitive Behavioral Programming for clients and adheres to program integrity of the curriculum being taught, in order to reduce recidivism.

TARGET POPULATION

- Clients participating in Oriana House programs who are in need of cognitive behavioral programming or are court ordered to attend Oriana House's cognitive behavioral groups.

SCREENING PROCESS

- Clients are sentenced to an Oriana House program by the court.
- Clients are assessed to determine their risk level and what programming is needed based on risk level.

DESCRIPTION OF SERVICES

- Thinking for a Change
- Thinking Errors
- Distorted Thinking
- Good Intentions, Bad Choices
- Boosters
- VH Individual Sessions
- Orientation for those in North Central Ohio and Southeast Ohio regions

SUCCESSFUL COMPLETIONS

- Compliance with program requirements and goals
- Thinking for a Change - 22/25 lessons
- Thinking Errors - 5/6 lessons
- Distorted Thinking - 5/6 lessons
- Good Intentions, Bad Choices - 7/8 lessons
- Boosters - 9 lessons
- Individual Intervention Sessions
- Orientation - 4 sessions for those in North Central Ohio and Southeast Ohio regions

UNSUCCESSFUL RELEASES

- Adhere to the rules and regulations of the program.
- Failure to apply with the homework, attendance, and assignment policy will lead to an unsuccessful completion.

Reentry Services

COMMUNITY RESIDENTIAL CENTER
25 Frederick Avenue
Akron, Ohio 44310
(330) 996-2222

PROGRAM GOALS

- To provide transitional housing for supervised felony offenders referred by the Ohio Department of Rehabilitation and Correction (ODRC) or Probation.
- To assist participant in reaching self-sufficiency and obtaining permanent housing thereby reducing the likelihood of continued criminal activity.

TARGET POPULATION

- Parolee, post release control, and felony community control offenders who are homeless.

SCREENING PROCESS

- Admission to the Community Residential Center (CRC) is based on risk level, not offense, and must comply with all local zoning ordinances.
- Supervised individuals with a felony offense who are determined by the Ohio Risk Assessment System (ORAS) as low risk to reoffend are eligible for admission.
- Supervised individuals with a felony offense who are determined by the ORAS as very high or high risk are eligible for admission to independent housing after successfully completing a community corrections residential program. A transfer to the CRC will be done in conjunction with the supervising authority.
- **EXCLUSIONARY CRITERIA:**
 - Tier 3 sex offenders
 - Arsonists on a case-by-case basis

DESCRIPTION OF SUPERVISION AND SERVICES

- Provide temporary housing.
- Maintain a community resource guide.
- Assist clients in utilizing community resources to secure permanent housing, employment, and financial stability.
- Monitor client compliance to house rules and permanent housing deadlines.

FINANCIAL OBLIGATIONS

- No cost to the client.

SUCCESSFUL COMPLETIONS

- Secures permanent housing approved by the Adult Parole Authority.

UNSUCCESSFUL RELEASES

- Failure to comply with house rules.
- New arrest.
- Failure to obtain permanent housing within ODRC specified timeframe.

FREDERICK AVENUE APARTMENTS

25 Frederick Avenue

Akron, Ohio 44310

(330) 996-2222

PROGRAM GOALS

- To provide individuals with a safe and sober place to live while they embrace their recovery as they seek appropriate housing and employment.
- To assist individuals in developing skills to live a substance and crime free lifestyle in the community.
- To assist and direct individuals in selecting resources that will aid them in securing permanent housing, employment, and financial stability which will allow them the opportunity to make positive changes in their lives.
- To offer a wide variety of activities that supports a sober and productive lifestyle.

TARGET POPULATION

- Adults who are referred from Oriana House and other local treatment providers.

SCREENING PROCESS

- Referral from accepted agency.
- Negative drug and alcohol screening.
- Intake interview to include understanding and agreement to Frederick Avenue Apartment rules and program requirements.

DESCRIPTION OF SUPERVISION AND SERVICES

- Case monitoring, including referrals to community resources to address tenant's program needs.
- Regular and random drug and alcohol tests are administered to ensure a sober living environment.
- Peer Recovery Supporters individually assist clients in maintaining a positive and sober lifestyle and help them connect to the resources that they may need in the community.
- Tenants are required to adhere to curfews and limited visitation (all visitors need pre-approval) with no overnight visitors and no overnight stays away during the first month, and to attend mandatory weekly meetings.
- A staff person is in attendance, on-site, at all times, 24 hours a day.
- Tenants have access to activities that may include but are not limited to:

12-Step Meetings (transportation provided)	Parenting Classes
Oriana House, Inc., Alumni Involvement	Cooking and Meal Preparation
Exercise Classes	Communication Skills
Education	Employment Class
Budgeting Classes	Stress Management Group
Morning and Evening Meditations	Discussion Groups (various topics)
Life Skills Groups (various topics)	Aftercare Treatment
Transportation to Community Meetings/Events	Family Matters (support groups)
Community Food Pantry	

FINANCIAL OBLIGATIONS

- Costs are initially paid through a contract with the Summit County Alcohol, Drug Addiction and Mental Health Services Board and ODRC. The per diem rate is then reduced as tenants find employment and start paying toward their own rent.

NORTH STAR NEIGHBORHOOD REENTRY RESOURCE CENTER

**1834 East 55th Street
Cleveland, Ohio 44103
(216) 881-5440**

PURPOSE

- This innovative resource center helps individuals who have been involved in the criminal justice system navigate the barriers to become law abiding citizens. It's difficult to come home from prison and be self-sufficient or find a job when you have a criminal record. North Star Neighborhood Reentry Resource Center (NRRC) is designed to provide information, a range of direct services, and convenient access to other community resources in a welcoming, supportive setting.

TARGET POPULATION

- Cuyahoga County residents who were formerly incarcerated in prison (and their family and friends).
- Cuyahoga County residents who are currently or were previously involved in the criminal justice system (and their family and friends).

DESCRIPTION OF SERVICES

- Internet access to appropriate websites and content.
- Computer training labs.
- Employment Services, such as job searching, interviewing techniques, résumé preparation, and the New Employment Transitions program.
- Referrals for free clothing.
- Assessments and referrals (if eligible) to the Ohio Benefit Bank for services such as food assistance (food stamp sign up), Home Energy Assistance Program (HEAP), student financial aid, health coverage, cash assistance, senior benefits, and benefits for children.
- GED classes.
- Self-help meetings such as AA, NA, Al-Anon, etc.
- Vouchers for state IDs and birth certificates.
- Citizen Circles (groups of citizens involved in reentry services that meet with offenders and their families to help facilitate successful reentry).
- Faith-based programming.
- Public transportation information.
- Life Skills classes that teach tools for making good decisions, setting goals, building and maintaining mature relationships, managing money, and obtaining employment.
- Free healthcare clinics and screenings, including referrals to additional services at MetroHealth Broadway Health Center.
- Direct access to information, services, and staff from other community reentry service providers.
- Assistance with service referrals, resources, and follow-up on progress.
- Family Matters Program (support groups) designed for family members and friends of those affected by addiction. Weekly sessions provide family members with encouragement, support, and increased knowledge to help break the cycle of substance use.

FINANCIAL OBLIGATIONS

- People interested in using North Star NRRC services receive a free membership which provides access at no cost to many services and reentry resources in the community.
- North Star NRRC is funded by the Cuyahoga County Office of Reentry as part of its initiative to provide focused leadership and strong organizational capacity to address prisoner reentry in the greater Cleveland area.
